Hidtek

Hidtek 1987 yılında ülkemizin önemli endüstri şehirlerinden olan Bursa'da faaliyetine başladı.

Başlangıçta hidrolik, pnevmatik malzeme satışı ve taahhüt işleri yapan firmamız, devreyen zamanda hızla gerekli kthalat ve İhracat ile birlikte otomasyon ekşiomantık ve pnevmatik silindir makinaları da faaliyet alanlarına dahil etti.

Markalaşma, pazarlama ve satış ağını genişlete konularına da önem vererek WINMAN ve FREEWAY markalarını oluşturdu.

Buna paralel olarak, yurtdışında ve yurtdışında her geçen gün satış ağını genişleştirmeye devam etti.

Üretim konusundaki kullandığı Ar-ge merkezi ile geleceğe ve sürekli gelişen teknolojiye bugüne kadar ölkəyi gibi bundan sonradır ayaş uydurma karanlığında da.

Üretim ve satış yapılan malzemelerin genel kullanım alanları şunlardır:

- Otomotiv sanayi
- Makine sanayi
- Ambalaj makinaları
- PVC işleme makinaları
- Kaldırma makinaları (fasansız M)
- Sac işleme makinaları
- Hidrolik presler
- İly makinaları
- Tariş makinaları
- Özel amaçlı makina ve aparatlar

Firmamız, katalogta yayımlanan resim, ölçüt ve diğer değerlerde değişim hakkı sahiptir.

Hidtek started its operations in 1987 in Bursa which is one of the most important industrial cities of our country.

At the beginning, our company was engaged in hydraulic, pneumatic material sales and contract works. Later on, it has been developed rapidly, so included production of automation equipment and pneumatic cylinders right along with import and export.

WINMAN and FREEWAY brands are created besides attaching importance to branding, marketing and enhancing sales network. Concordantly, Hidtek has extended its domestic and foreign sales network day by day.

Hidtek is determined to keep up with the future and ever growing technology as it always has been by means of the R&D center established on production.

General usage areas of the production and sales materials are:

- Automotive industry
- Machine industry
- Packaging machines
- PVC profile processing machines
- Hoisting machinery (elevator, lift)
- Sheet metal working machines
- Hydraulic presses
- Heavy construction equipment
- Agricultural machines
- Custom-made machines and equipment

Our company reserves the right to modify photos, measurements and other values that were published in the catalog.
