

Seals and bearing Elements

Products

- Wipers
- Bearing elements
- Rod seals
- Piston seals
- Rotary seals
- V-packings
- Static seals
- Complete pistons
- Mouldings and semi-finished products

Fields of application

- Hydro electric equipment
- Bridge construction
- Presses
- Offshore
- Fire fighting equipment
- Open pit mining
- Construction machinery
- Machine-tool manufacture
- Steel presses and mills
- Aluminium casting plants
- Test bed engineering
- Mechanical Engineering
- Mobile Hydraulics
- Plant Engineering
- environmental technology
- special technologies
