# COMPANY

PH Industrie-Hydraulik is a leading European manufacturer of hydraulic hose couplings and compression fittings made from Stainless Steel AISI 316.

## Our standards

- Development & manufacturing with highest precision
- Wide range of products for all requirements
- Compliance with applicable standards and norms
- Rigorous quality control
- Maximum availability
- Prompt delivery

## History

- ▶ Foundation of PH Industrie-Hydraulik in 1982 by Peter Hen
- ▶ The first business was the production of hydraulic hose assemblies and the supply of hydraulic components made from Steel and Stainless Steel
- ▶ In the course of time the business with Stainless Steel products became more important
- ▶ 1985 production of the first Stainless Steel products according to PH drawings by sub-producers
- ▶ 1992 purchase of own production machinery
- ▶ 1999 establishment of its own, independent production facility
- ▶ In the course of time PH Industrie-Hydraulik has become the major producer of Stainless Steel products world-wide

# Products

Hose couplings and compression fittings for heavy-duty industrial applications. For decades our customers have trusted the quality of PH products.

## HOSE COUPLINGS

## HOSE COUPLINGS INTERLOCK-SERIES

EDELSTAHL / STAINLESS STEEL

# QUALITY

Our products are manufactured in accordance with international standards such as DIN / EN / SAE / BS & JIS. It goes without saying that we are certified according to DIN EN ISO 9001:2008.

All dimensions, threads and tolerances are strictly in accordance with the mentioned specifications. The control of every article is rigorously enforced by our internal quality control department.

Many of our products have been approved by the American Bureau of Shipping, Lloyd's Register of Shipping, Det Norske Veritas, Rina, Germanischer Lloyd, Bureau Veritas, GOST, Russian Maritime Register of Shipping and UkrSEPRO.

**Connections which keep what they promise.**

# Logistic

## LOGISTIC

Due to our high production capacities and our extensive inventory we guarantee maximum availability for all product categories. Almost all products are immediately available from stock.

**We connect the world.**

### **Advice**

Our highly qualified expert team supports you in all matters relating to the PH Stainless Steel products.

Whenever there is a problem, we either have the solution already or we design and develop it specifically for your needs.

**Contact us! See you soon.**
