Object: **PRESENTATION COMPANY TEN-FLUID**

Dear Sir/Madam,

Herewith We would like to present You our company TEN FLUID SRL.

TEN-FLUID SRL working continually with principal companies of several fields, as automobile industry, pneumatic and hydraulic industry, oil pressure and the mechanical and electrical household appliance industry, have acquired specific professionalisms in order to create **technical gaskets** according to drawing and/or sample, achieving a wide set of products that You can visit on our web site www.ten-fluid.it, including filters, gaskets for automotive parts, articles for pumps, for accumulators, bellows, rubber-metal parts, seal rings, frames, washers, etc.

We arrange also a wide warehouse for **O-RINGS** according to standard, metric, English and French measurement.

We use primarily compounds such as **NBR – HNBR – EPDM – SILICON – CR – CIIR – FKM – FVMQ – VMQ - SPECIAL RUBBER – TERMOPLASTIC MATERIAL** and **RUBBER-METAL**.

We use also in our production certificated raw materials according to **FDA – KTW W270 – WRC – DVGW – NSF – ACS - EN549**, but also stuffs that can enter in contact with drinking water and high temperature, and some of them are: shockproof, abrasion resistant, colored, non-toxic, anti-mashing, compatible with food, odourless, tasteless, insulating, conductive, anti-fume, anti-laceration.

We are certificated according to ISO 9001:2000 for quality management system, ISO 14001:2004 for enviromental management system, and ISO TS 16949:2002 for Automotive sector.

We are sure you'll find of Your interest our products, so we are at Your disposal for any further information and we wait for Your request.

Yours faithfully
