

Industrial supplies market Berlin-Brandenburg

Hall 5, Stand B 16

company, address, website	contact person, phone, fax email	company profile
ÄTZTEC GmbH Kraatzer Weg 1 D-16775 Gransee www.aetztec.de	Julian Zender phone +49-03306 202100 fax +49-03306-2021022 email: info@aetztec.de	Producer of etched parts from all common types of metal in various thicknesses for almost every application and every industry.
BerATec Antriebselemente Heinrich-Heine-Str. 23 D-16945 Meyenburg www.beratec-antriebselemente.de	Harald Krenzler phone +49-33968-80612 fax +49-33986-89190 email: mail@beratec-antriebselemente.de	Producer of gears, sprockets, gear shafts, shafts and couplings for example gear couplings, torsionally flexible pin & bush coupling as soon as special solutions Producer of precision turning and milling work pieces for generally and special purpose machinery manufacture, material handling, mining industry and energy industry
BESTSIM GmbH Simulatoren & Events Karlstraße 6 19348 Perleberg www.bestsim.de	Andreas Seefried phone +49 (0) 3876 30 00 81 fax +49 (0) 3876 30 00 82 E-Mail: kontakt@bestsim.de	Development and manufacturing of professional simulation environments. Software, motion bases and projection systems, 3D projection, big screen solutions and multi-side-projections. Virtual-reality-solutions.
CNC-Präzisionsfertigung Ojinski GmbH Neuhaus 5-6 D-19322 Ruhstätt www.cnc-ojinski.de	Karl-Heinz Ojinski phone +49-38791-569820 fax +49-38791-569818 email: ojinski@cnc-ojinski.de	Specialist in CNC precision engineering. The products are designed mainly for use in machine and plant engineering or medical engineering but are also applied in a variety of industries from furniture to entertainment industry.
Escotec Lasertechnik GmbH Rheinstraße 17A D-14513 Teltow www.escotec.com	Dr. Gerd Phillipps phone +49 (0) 3328 33 55 10 fax +49 (0) 3328 33 55 09 E-Mail: Gerd.Phillipps@escotec.com	Development and production of high-quality microcomponents. Microwelds of 50 µ m of width from 0.2 mm of component dimension. Application: in particular medicine technology
Fügetechnik Berlin-Brandenburg GmbH Kupferhammerweg 14-18 D- 16225 Eberswalde www.fuegetechnik-berlin.de	Nadja Hatzijordanou phone +49 (0) 3334 38 79 10 1 fax +49 (0) 3334 38 79 10 3 E-Mail: info@fuegetechnik-berlin.de	Customised products and solutions from high-capacity ceramics. Alternative material solutions for components with various stress resistance standards (chemicals, radiation, temperature). Ceramic engineering. Method of joining. LPIM - Low Pressure Injection Molding

<p>HWL Löttechnik GmbH Mirastr. 2 + 8 D-13509 Berlin www.hwl-berlin.de</p>	<p>Kai Lembke phone +49-030-40800-120 fax +49-30-40800-125 email: info@hwl-berlin.de</p>	<p>Heat Treatment: Vacuum Heat Treatment, Vacuum hardening, Carburizing, Case Hardening, Atmosphere Hardening, Plasma nitriding, Vacuum brazing Cu and Ni, Special soldering, Special Hardening Processes for Aerospace Industries and Automotive. Certified DIN EN ISO 9001:2008, RollsRoyce RPS 935 ff., Luftansa Technik</p>
<p>IHK Potsdam Breite Str. 2 a – c D-14467 Potsdam www.potsdam.ihk24.de</p>	<p>Jens Ullmann phone +49-331-2786-251 fax +49-331-2786-190 email: ullmann@potsdam.ihk.de</p>	<p>Suppliers Market Berlin-Brandenburg, Berlin-Brandenburg Aerospace Alliance, Berlin-Brandenburg Automotive Cluster, Plastics and Rubber Network Berlin-Brandenburg, Business contacts, suppliers, subcontracting directory, import, export and co-operation services, economic development</p>
<p>MaTec Gummiwerk GmbH Max-Planck-Str. 26 D-14548 Schwielowsee OT Caputh www.gummiwerk.de</p>	<p>André Henning phone +49-33209-7703 fax +49-33209-77052 email: kontakt@gummiwerk.de</p>	<p>Production of vendor parts for all trades, and fields of industry and commerce. Application consultancy, design and tool making. Model fabrication, individual parts, small and industrial scale production in all batch sizes. Processing of all types of elastomers. In-house development of formulas for rubber compounds. Development and testing laboratory. Precision tolerances, high dimensional accuracy.</p>
<p>Motzener Kunststoff- und Gummiverarbeitings GmbH Mittenwalder Str. 79 D-15749 Mittenwalde OT Motzen www.kunststoff-gummi.de</p>	<p>Thomas König phone +49-33769-8940 fax +49-33769-61921 email: motzener@kunststoff-gummi.de</p>	<p>Experiences of many years in processing plastics, elastomers Short cycles of innovation, separate toolmakers shop, many material types, K+K parts</p>
<p>Net-Components GmbH Demex-Allee 1 D-14641 Wustermark www.net-components.de</p>	<p>Tarkan Peker phone +49-33234-900930 fax +49-33234-900940 email: info@net-components.de</p>	<p>Manufacturing and machining of the casting and forging parts as well as the chipping parts. Supplier in energy sector for entire modules.</p>
<p>Nordbahn gGmbH Glienicke Chaussee 6 D- 16567 Schönfließ www.nordbahn-ggmbh.de</p>	<p>Matthias Blümel phone +49 (0) 33056 83 8 22 fax +49 (0) 33056 83 8 10 E-Mail: m.bluemel@nordbahn-ggmbh.de</p>	<p>Special machines and device construction. Automatic control engineering. Mounting and packaging of electric and mechanical assemblies; Labels. (Charge of the achievements on severely disabled person's delivery of the principals)</p>
<p>profil.metall GRW-Netzwerk Stahl- und Metallverarbeitung in Brandenburg und Berlin Schlesische Str. 28 D-10997 Berlin www.profil-metall.de</p>	<p>Dr. Gerhard Richter phone (030) 2936970 fax (030) 29369711 e-mail: imu-institut@imu-berlin.de</p>	<p>If you are a manufacturer or supplier in the energy industry, in the automotive, aerospace, railway, ship-building, plastics, construction and many other industries, and if you're looking for a partner in the metal industry who can offer innovative resource-minimising solutions, profil.metall is what you need.</p>

<p>Sadex Spoika z o.o. ul. Sygnaly 64 P-44-251 Rybnik</p>	<p>phone +48 32 42 18 551 E-Mail: buiro@sadex.pl</p>	<p>Production of mine arrangements/ Professional services for the mining, building industries and cabin industry</p>
<p>Vakuplastic Kunststoff GmbH & Co. KG Rudower Str. 68 B D-12529 Schönefeld www.vakuplastic.de</p>	<p>Oliver Schwarz phone (03379) 203131 fax (03379) 203139 e-mail: hmi11@vakuplastic.de</p>	<p>Injection-moulding of thermoplastics, Job-order-manufacturing of thermoplastics, suction-cups, lifters, fastenings, removable feets, technical parts of thermoplastics</p>
<p>WELZ Gas Cylinder GmbH An der Gasanstalt 4-5 D- 14712 Rathenow www.welz-cylinder.de</p>	<p>Ziqiang Jiang, Haihua Chen phone +49 (0) 3385 49 55 11 fax +49 (0) 3385 49 55 10 E-Mail: h.chen@welz-gc.de</p>	<p>Gas cylinder (0,024l to 10l) for all current compressed gases, in particular CO2 and O2. Applications: Fire extinguishers, warm deduction arrangements, industrial gases, medical gases</p>
<p>WINIARSKI Poland Germany Consult Westhafenstr. 1 D-13353 Berlin www.winiarski.eu</p>	<p>Piotr Winiarski phone (030) 21966038 fax (030) 21966174 e-mail: info@goeastgowest.eu</p>	<p>Your industrial agency abroad of industry / Your selling agency / Your foreign distribution partner in Germany, Poland and the Ukraine</p>
<p>Wirtschaftsfördergesellschaft Prignitz mbH Laborstr. 1 D-19322 Wittenberge www.wfg-prignitz.de</p>	<p>Uwe Büttner phone (03876) 3075710 fax (03876) 3075719 E-Mail: info@wfg-prignitz.de</p>	<p>Central location between Hamburg and Berlin cities, investment advice and support, advice on financing and funding, assistance in the procurement of real estate and labor, promotion of company cooperation</p>
<p>Wirtschaftsregion Ostbrandenburg Stadt Eisenhüttenstadt Zentraler Platz D-15890 Eisenhüttenstadt www.eisenhuettenstadt.de</p>	<p>Sabine Oberlein phone (03364) 566296 fax (03364) 566259</p>	<p>Economic development, the international economic structure and outstanding infrastructure above all speak for the regional growth area of Frankfurt (Oder) Eisenhüttenstadt.</p>
<p>ZE Ätztechnik GmbH Kraatzter Weg 1 D-16775 Gransee www.zeaeztechnik.de</p>	<p>Julian Zender phone (03306) 202100 fax (03306) 2021022 e-mail: aetz-info@t-online.de</p>	<p>Etched parts out of all usual metals</p>
