

Ngai Fung Metalware

Established in 1983 to meet the needs of the growing industrial market in Hong Kong, Ngai Fung produces metal ware including **electronic switches, mini parts for motors and metal parts for switches**. In addition, the company provides services for designing **mould, fabrication, processing and fixture**.

Ngai Fung provide customers throughout Asia and Europe with excellent service by focusing on the development of employees, and using new technology and techniques to provide products of only the highest quality.
