

50,000m² workshop, 536 employees, 11-year old professional metal fabricator providing laser cutting, flame cutting, machining and welding service. ISO 9001:2008 certified.

CUTTING

Laser cutting (10 sets)

Brand: Trumpf

Max thin: carbon steel& ss to 25mm

Aluminum to 12mm

CNC flame cutting(8 sets)

CNC Plasma cutting(2 sets)

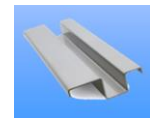

CNC PUNCHING

- ✓ Max. Table Size:1270*2540mm
- ✓ Max. punching force:180KN
- ✓ Positioning accuracy: 0.1mm

BENDING

- ✓ Bending stress: 85-800T
- ✓ Table size: 2000-6000m

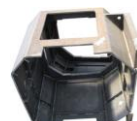

WELDING

Welding robot

TIG process

MAG process (50 sets, over 100 workers)

FINISHING

Painting spraying booth

Sandblast booth
