

Company Profile

Sheng Yang Electronic Co., Ltd. located in Shanghai Caohejing Science and Technology Industrial Park. Our factory is in Jiaxing, Zhejiang. Since its inception in 1999, the company has been committed to wiring product development, production and sales. We believe that only dedicated, professional, can provide customers with better products and services.

We have been doing this, the future, will also have been adhering to this attitude go. Since 2008, SHENG YANG cable gland products have led an industry sales record for eight consecutive years. Participated in well-known construction projects many times.

Core philosophy: people-oriented, quality assurance, continuous innovation, abide commitments.
