

Design and production of:

- Special hydraulic cylinders
- ISO hydraulic cylinders
- Hydraulic telescopic cylinders
- Servo-cylinders with low friction sealing
- Servo cylinders low friction sealing system combined with hydrodynamic pressure reduction
- Servo cylinders with hydrostatic drive
- Special ball-joint
- Manifold

Our strenghts are:

- ISO 9001:2015 certified company
- Cutting-edge design technologies
- Innovation and research
- High level of quality
- Products 100% tested
