Shenzhen ChenFa Spring CO.,LTD.

Company profile

Time of establishment: *07th Jan 2002*

Registered capital: *320,000 USD*

Area: *5000 square meter*

Business:

Scientific research ,design, manufacture, selling,
specilizing in a variety of extension, compression, torsion,
precise spring, wire form, metal shrapnel

**Staff: 120 , including Technical : 50,
QC:20**

Shenzhen ChenFa Spring CO.,LTD.

Machine and equipment

∅ Manufacture Machine:

- 502S model computer forming machine imported from Taiwan
- Computer compression and torsion machine
- Extension machine, Flat-shaped forming machine

TEL: +86-755-27322955
FAX: +86-755-27322933

Shenzhen ChenFa Spring CO.,LTD.

Company workshop

- Compression Line

- Computer management manufacture line

Shenzhen ChenFa Spring CO.,LTD.

Company Examination equipment

- Digital torque
- Digital elasticity
- Digital extension
- Projector endurance test
- Special software from USA to exam torque elasticity extension

Shenzhen ChenFa Spring CO.,LTD.

Quality guarantee

- Ø Certification :ISO/TS 16949:2009, ISO 9001:2008 ,SGS ,RoHS.
- Ø In order to promote quality , impression, staff' skill , we are carrying out 5S right now.

Shenzhen ChenFa Spring CO.,LTD.

Relevant customer

Ø Our products are suitable for various field, we have built good solid relationship with domestic and oversea partner.

Relevant field	Main client	Company type		
		Taiwan	HongKong	foreign
camera	DXG	●		
household appliance	Foxcom	●		
automotive	Peugeot,TOYOTA			●
meter, switch,relay	WIK			●
computer and accessories	Crankbrothers			●
stereo and accessories	Cellon			●
telecome	Q-Imaging,Arnold			●
printer, fax	kashui		●	

Shenzhen ChenFa Spring CO.,LTD.

Products introduction--extension spring

∅ CNC extension machine, can make various shape spring: English hook, German hook, half circle hook, side edge hook, U hook, V hook.

∅ We can make different angle: middle ear, side ear, long ear, reverse ear.

Technical Spec:

- ▶ overall length (O/A),pull length (P/P)or body length (B/L)
- ▶ outsider diameter (O/D),inside diameter (I/D),middle diameter (M/D)
- ▶ left or right hand
- ▶ type of ends
- ▶ material
- ▶ tolerance and special requirement

TEL: +86-755-27322955
FAX: +86-755-27322933

Shenzhen ChenFa Spring CO.,LTD.

Products introduction---compression /precise spring

- ∅ CNC extension machine, can make various shape spring .
- ∅ They are used widely, suitable for different field

Technical Spec:

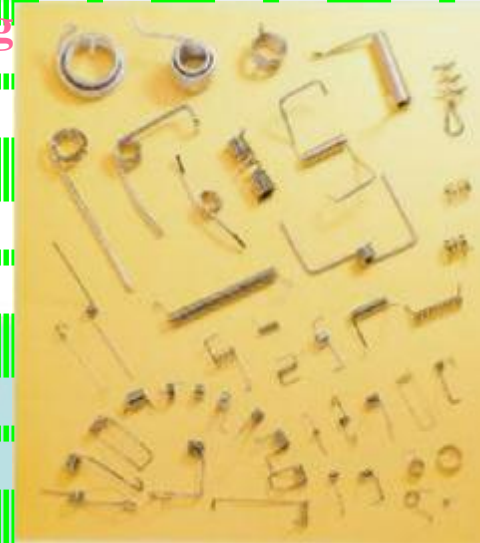

- ▶ free length(F/L)or load length (L/L)
- ▶ outsider diameter (O/D),inside diameter (I/D),middle diameter (M/D)
- ▶ elasticity parameter
- ▶ Max compression value
- ▶ max compression length
- ▶ left or right hand
- ▶ material
- ▶ tolerance and special requirement

Shenzhen ChenFa Spring CO.,LTD.

Production introduction---torsion spring

- Ø Apart from single type spring, we also produce double type
- Ø Diameter capacity: 0.1---6.0 MM
- Ø material: carbon steel wire, SUS wire, piano wire, bronze and phosphor copper wire

TEL: +86-755-27322955
FAX: +86-755-27322933

E-mail: Wan@szchengfa.com

Shenzhen ChenFa Spring CO.,LTD.

Production introduction---wire form and shrapnel

Ø Apart from spring , we also do other accessories:

- various shape wire form
- irregular spring
- battery bars
- metal shrapnel
- punch shrapnel

Shenzhen ChenFa Spring CO.,LTD.

Material Specification

Main material Spec list

Type	Spec	model	Use(reference)					
			General	electric conductive	magnetic permeable	heat resistance	contact resistance	corrosion resistance
carbon steel wire	JIS G3521	SWB	●					
		SWC						
piano wire	JIS G3522	SWP	●					●
Stainless steel wire	JIS G4313	SUS302	●			●	●	
		SUS304	●			●	●	
		SUS316	●			●	●	
		SUS631JI	●			●	●	
copper wire	JIS G3260	C2600W-H		●	●		●	
		C2600W-EH						
		C2700 W-H		●	●		●	
		C2700 W-EH						
		C2800 W-H		●	●		●	
phosphor bronze wire	JIS H3270	C5101 W-H		●	●		●	
		C5191 W-H		●	●		●	
		C5212 W-H		●	●		●
