

# ALUMINUM EXTRUSION

## 关于苏航 About Suhang

苏航金属，成立于 2009 年 1 月，是一家专注于铝制品生产和精密加工的企业。高效（快速响应客户需求）、灵活（提供客户更多的可能性），让我们赢得了众多不同行业的客户。强大的资源整合能力，让我们可以为客户提供包括铝挤压、精密加工、表面处理（氧化、喷涂、喷砂）的一站式服务，直接交付给客户最终成品。这极大减少了客户的时间成本，让客户可以更好的管理库存，消除多个供应商所可能造成的沟通成本的上升。

Suhang Metal, founded in 2009, is a contract manufacturer of aluminum extrusion and precision machined products. We have built our business with a wide variety of customers by being efficient and flexible. The services we can provide you include engineering design assistance, extrusion, fabrication, precision machining, painting, anodizing and assembly. With Suhang, you reduce time from order to delivery of your final products, better manage your inventory, and eliminate potential multi-supplier conflicts.

## 为什么选择苏航 Why Us?

### 专业的技术团队

我们的技术团队拥有数十年的铝挤压、加工经验，能准确了解客户所需，并帮助客户完善产品的设计。

### Experienced Technical Team

Our technical team has over ten years' experience in aluminum extrusion and fabrication industry. We always understand what our customers want exactly and help them optimize their designs.

### 多种挤压吨位可选

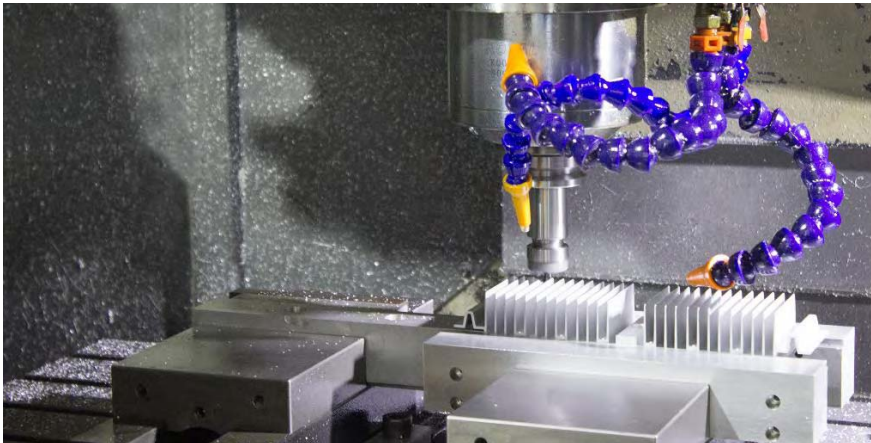

根据客户的行业及产品要求，可选择从400吨至6800吨的挤压吨位，挤压截面尺寸从10mm至500mm不等。

### Advanced Presses

We strive to offer solutions that meet virtually any engineering requirement. Extrusion presses come first. You can choose the presses from 400 ton to 6800 ton with cross-section capabilities of 10 mm to 500 mm.

### 可提供精密加工服务

我们拥有CNC全自动加工中心、大型冲床、油压整形机、立式多头钻、拉丝机、钻床、攻丝机、锯切机、镗雕机、折弯机和焊接机，可以满足客户不同的精密加工需求。

### Precision Machining Service Available

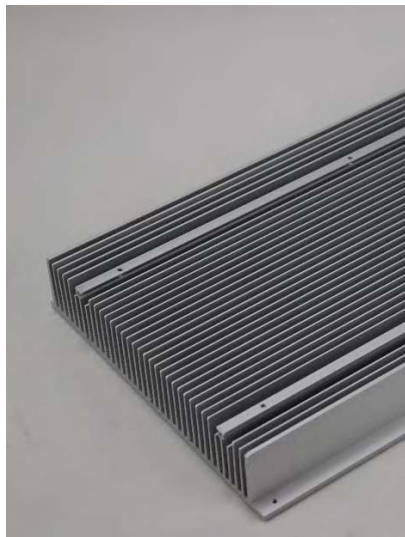

We have CNC machines, punching machines, hydraulic presses, drilling machines, drawing machines, tapping machines, cutting machines, laser engraving machines, bending machines and welding machines which can meet the precision machining requirements of our customers.

### 可提供表面处理服务

我们可以为客户提供包括氧化、喷涂、电泳、拉丝等表面处理服务。

### Variety in Surface Treatment Methods

We can provide surface treatment service which include anodizing, powder coating, electrophoresis, brushing, etc.

## 准备好为客户创造更大的价值

### Ready to create

我们一直致力于为客户解决他们所遇到的问题，提供超出客户预期的高品质产品。专业的服务让我们积累了各种不同行业的客户，包括汽车、照明、工业设备、电力、耐用消费品和建筑等行业。欢迎您的来访，让我们一起创造新的可能。

We at Suhang Metal are committed to solving the problems customers face and providing them the products which exceed their expectations. Excellent customer service brings us customers in many industries: automobile, lighting, industrial equipment, electric, consumer durables and construction. Welcome to visit us, let's create more possibilities together.

# 主要产品 Main Products

## 铝挤压散热器

### Extruded Heat Sink

灯具散热器、软启动散热器、逆变器散热器、变频器散热器等。

Extruded heat sinks for lighting, soft starter and inverter, etc.

## 铝挤压壳体

### Extruded Housing

灯具壳体、电源壳体、电机壳体、音箱壳体等。

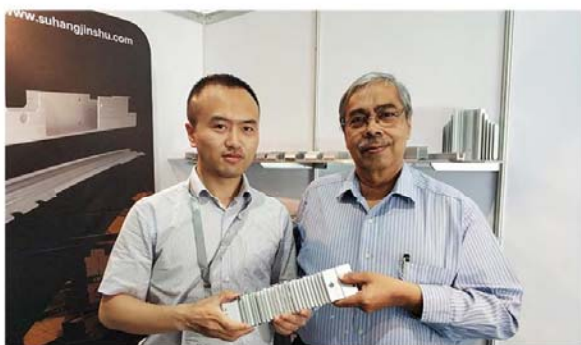

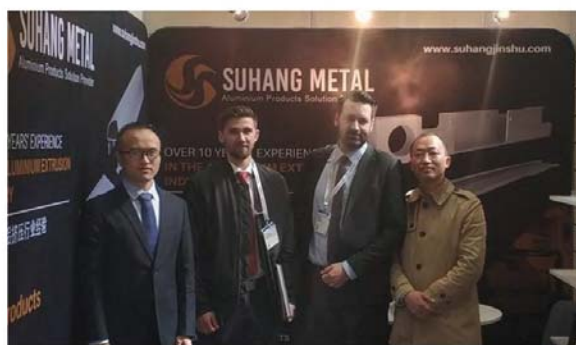

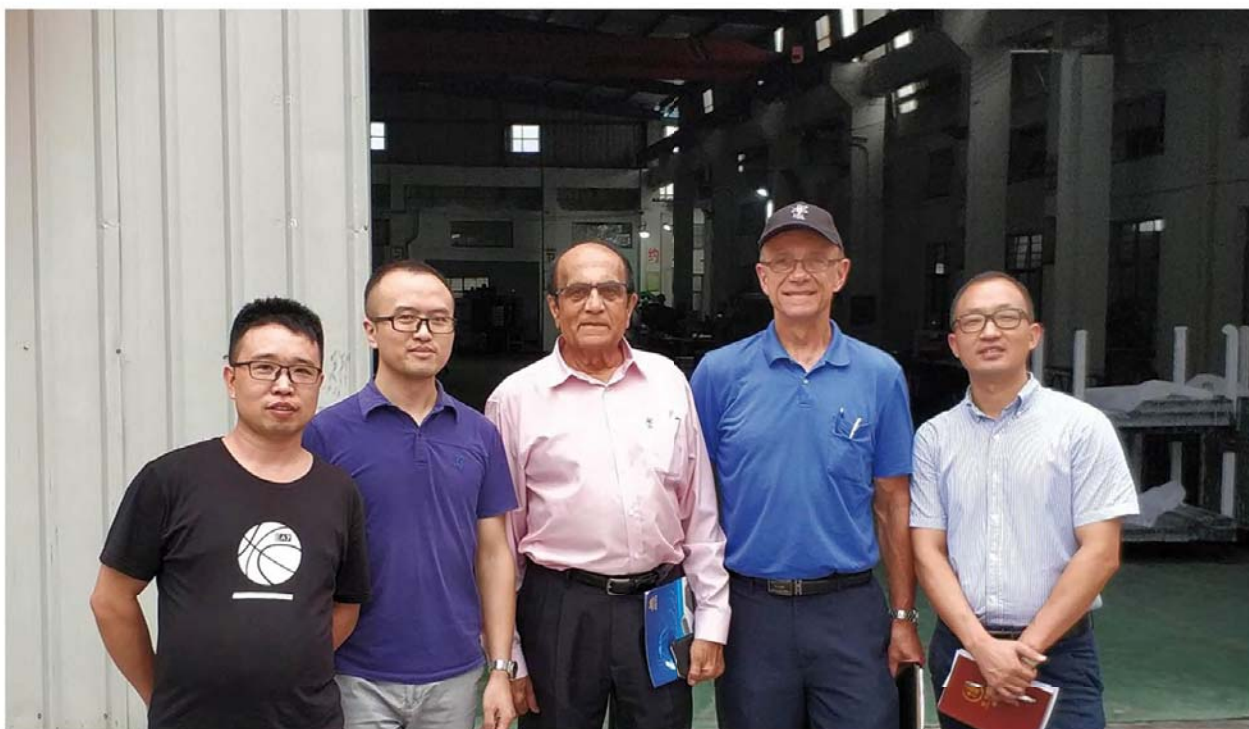

Extruded housings for lighting, power supply, motor and speaker, etc.

## 铝挤压边框

### Extruded Frame

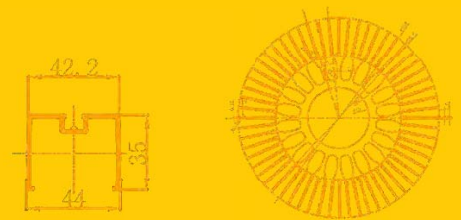

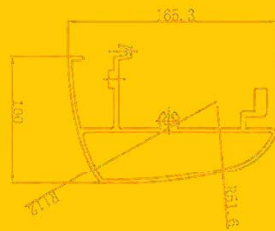

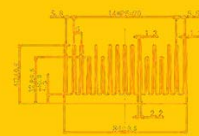

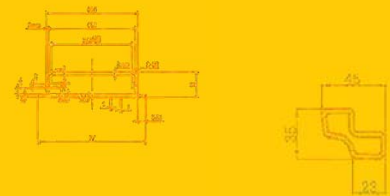

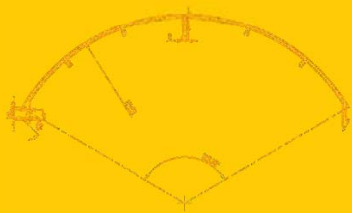

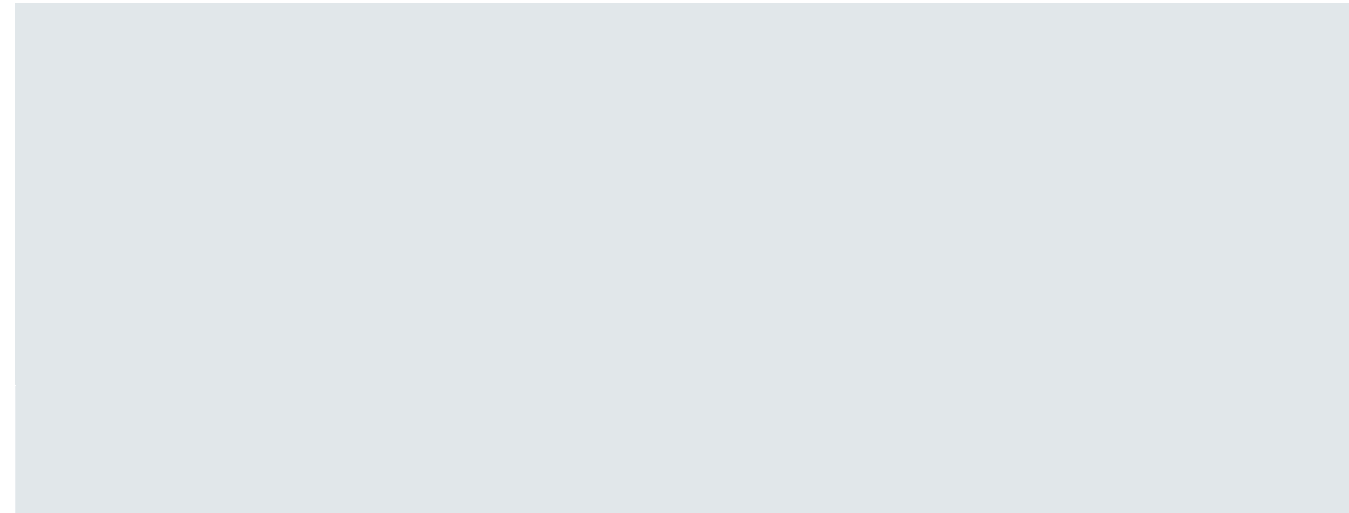

灯具边框、太阳能边框、电视机边框、广告机边框、教学机边框等。

Extruded frames for lighting, solar, TV, advertising display, etc.
