

An ISO 9001:2015 company

Vision & Mission

To operate a global business that produces meaningful benefits to the Customers, Suppliers, Employees and the community.

Creating Value for our stakeholders and society by nurturing talent and continuous improvement in Process and People Management Practices.

The Company

Supreme Metals is the manufacturer in all kind of Gunmetal/Bronze Castings & Components like Bushes - Bearings - Impellers - Washers according to customers Drawings - Designs and Specifications with any required Material compositions, since last three decades and has been supplying in the market ever since and as Original Equipments Manufacturer for past three decades to various private and public sector organizations.

A Company headed by core team members, technocrats with a rich years of grass-roots engineering experience, Supreme Metals has been in the field of Bushes and Bearings since 1974.

THE COMPANY

Driven by a vision of building the company into a temple of Precision, Accuracy & Technology through team work, the organization that began by Manufacturing precision Gun metal components in small unit, soon Mastered the nuances of developing precision, accurate quality end products and is approved as vendor in reputed private and public organizations

SM born with Quality, Continuous process improvements and adapting to new technology resulted in the development of name in the market.

SM Philosophy is to do everything to improve the performance of each of Our departments through teamwork in our pursuit to provide optimum satisfaction to our valued customers who have reposed their trust and Expectations in us.

Infrastructure

MANUFACTURING

SM Manufactures Bushes and Bearing with a great expertise and specific engineering to make a compatible end product. SM have different facilities and maintains required standards to produce quality end product. SM involves in specialized engineering spares.

This is specifically for components which are not sourced easily, with low volumes and are critical in nature. The company is now having more than 200 odd components in stock.

FOUNDRY

The company has a Non-ferrous foundry consisting over 2000 patterns, & is equipped with latest facility of Casting & furnaces capable of casting 2 MT per day. SM is also capable of manufacturing Non-Ferrous Bushes in Gun Metal, Leaded Bronze, Phosphorous Bronze, Tin Bronze and other Copper based alloys. The Foundry is self sufficient since the alloys are being manufactured in house to required standards and specifications.

Infrastructure

MACHINE SHOP

The company has a state-of-the-art technology machine workshop includes various machinery viz. CNC,VMC with 4th Axis Rotary Table, Lathe Machine, Slotting Machines, Center less Grinders, Milling Machines, Lapping Machines, SPM's, Drilling Machines, Etc. With all the required jig's and Fixtures developed according to requirements.

Quality

Supreme Metals an ISO 9001 : 2015 Quality Management System Certified Company.

Inspection

Casting

The company is fully equipped with in house Wet Analysis Lab and Spectrometer with every required chemicals and instruments for analysis of different non-ferrous alloys the company provides guaranteed chemical analysis of ferrous and non-ferrous metals as per IS, BS & ASTM

Finish Job

The company is fully equipped with Inspection room with highly precise testing instruments viz. CMM, Digital Vernier, Digital Micro Meter, Go-NoGo gauges, Digital Bore gauge, Digital Dial gauge, Hardness Tester, Surface Roughness, & More.

Certificate

Standard **ISO 9001:2015**

Certificate Registr. No. **85 100 001 06441**

Certificate Holder: **Supreme Metals**
**Chhatrala Building, Behind J. P. Tower,
Tagore Road, Rajkot – 360 002. Gujarat, India**

Scope: **Manufacture of Ferrous and Non-Ferrous
Casting and Machined Components.**

Proof has been furnished by means of an audit that the
requirements of ISO 9001:2015 are met.

The due date for all future audits is 21 - 02 (dd.mm).

Validity: The certificate is valid from **2018-04-25 until 2021-04-10.**

Bangalore 2018-04-25

The Certification Body of
TÜV Rheinland (India) Pvt. Ltd.
27/B, 2nd Cross Road,
Electronic City Phase 1,
Bengaluru - 560 100, India.

9103NABCB00

The validity of this certificate is subject to timely completion of surveillance audits as agreed in the Contract.
The Validity of the Certificate can be verified under <https://qr.tuv.com> with the Identification No. 9105035457

CIN: U72501KA1996PTC020653

Quality Policy

We at SUPRME METALS are committed to our customer as a reliable business partner by meeting their expectation and continually improve the established quality management system

International Credential

Decide with Confidence

This is to certify that
Supreme Metals
Chhatrala Building, Opposite Bhaktinagar Station
Behind J.P. Tower, Tagor Road
Rajkot -360 002, Gujarat
is now part of the
Dun & Bradstreet Global Database
and has been assigned the
D&B D-U-N-S® Number: 67-586-4433

For Dun & Bradstreet Information Services India Private Limited

A handwritten signature in black ink, appearing to read 'Mahan'.

Authorized Signatory

March 29, 2010

The fact that this business is registered in the D&B database should not be construed as suggesting that credit or any other financial or business transaction should be approved, denied, restricted or delayed. It only signifies that there is sufficient information in the database to assign a D&B D-U-N-S® Number.

D&B D-U-N-S® Number is a registered number of Dun & Bradstreet Corporation, U.S.A.
