

## **ALPINE STAMPINGS**

***The soul of Transformers & Motors.....***

## ABOUT US

- ALPINE STAMPINGS, one of the largest manufacturers of Stampings and Laminations in western India was founded in 1997 with a vision to supply high precision quality electrical steel stampings & laminations.
- We are a professionally run company with a team of highly dedicated and trained personnel who are constantly trained to upgrade their skill levels.
- *“The soul of Transformers & Motors”* with a focus on partnering with customers to help them grow their businesses.
- Modern press shop with high speed Japanese presses running Carbide and multiple row auto-stack tools in our factory.

## VISION

- To manufacture products comparable to international standards, to be customer-focused and globally competitive through better quality, latest technology and continuous innovation.

## MISSION

- Providing quality products to our customers with an added emphasis on value creation.
- Solving problems instead of selling products.
- Being an enabler for our employees to achieve their maximum potential.
- Providing the highest levels of customer satisfaction and becoming the preferred solution provider in the field of magnetics.

# PRODUCTS
