

The new battery-powered cutter

... faster – ergonomically – reliably

Clever

variable speed for placing the tool

Lighting

integrated LED for illuminating the workspace

High-performance

18V-Li-Ion battery 3A
More crimpings with a battery capacity

Ergonomically

effortless working and simple handling due to balanced two-piece component handle

technical properties

- 3 years guarantee or 20.000 working cycle
- quick infeed due to double piston hydraulic system
- variable speed for placing the tool
- ergonomic design for fatigue-free work
- easy to service and compact design
- two-piece component handles with optimal weight distribution
- powerful Li-Ion battery 18V
- LED to illumination of the workspace
