

www.afemma.com

is a non profit organization founded in 1976 that gathers and supports the Spanish manufacturers of Machinery, Tools, Equipment and related Products used in the processing of Wood.

Our Association is member of the European Federation of Woodworking Machinery Manufacturers.

During this edition of LIGNA please visit us at our stand A52 in Hall 17 and request your copy of the Spanish Manufacturers Catalogue.

We invite you to meet our exhibiting companies:
