

SUPER LONGLIFE knives

1100-4 H – TYGRYS HP and HX

PERFECT SURFACE QUALITY
INCREASED LIFE OF THE KNIFE

1100-4H knives have been improved by adding special HP or HX coating. The coating, properly chosen for the kind of machined material significantly (even several times) increases life of the knife.

Catalogue number	L mm	H mm	B mm	HP	HX
N2081101HP / N2081101HX	60	30	3	•	+
