

IRIDEA COLOR

STAINS FOR INTERIORS

NATURAL MATTER by MY LAB

A new range of stains that bring out the naturalness of the wood grain.

Spray + rag application.

CHARACTERISTICS & ADVANTAGES

- A total of 15 shades inspired by the colors of cereals and spices.
- Specifically designed for application to selected wood species, such as Knotted Oak, in order to bring out the naturalness of the wood grain.
- Complement the MY LAB system, which makes it possible to create unique color combinations with the 70 metal-effect coatings of the LIQUID METALS series.
- Advisable to overcoat with NATURWOOD water-based top coat, which protects the surface without altering its appearance.
