Saw Dust Machine

## Grinding technology

### Introduction

#### \*Heavy Duty

Self-support steel frame, welded by thick steel plate, ensure the stable operation

#### \*High Efficiency

With hydraulic feeding system, ensure continues feeding speed

#### \*Smart Control

Automatic reverse to avoid damage to the drum

Model	Main Power(KW)	Output(M <sup>3</sup> /H)	Intake size(MM)	Finish size(MM)
HWYP300	90/110	12-35	300*300	<3
HWYP3550	132/160	24-55	500*350	<3
HWYP5050	160/200	36-70	500*500	<3
