

QUICKTRON 05 A

Version10/15

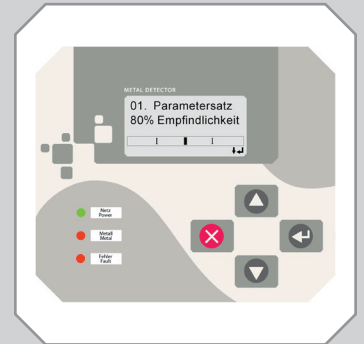

Metal separator for installation in free-fall lines

- **Reliable** - in Process and Detection
- **Durable** - in Technology and Performance
- **Flexible** - in Size and Application

In a few words:

- Digital signal processing for best detection
- Proven for years in rough environments
- Process- and condition monitoring
- Failsafe storage of all system parameters
- Robust construction for maximum lifetime
- Maintenance friendly construction
- Size variations for different areas of use
- Versions for ATEX, high-temp,...
- Understandable operation for all users
