

**DESCRIPTION: MC2242VF ELECTRONIC VARIABLE SPEED 22x42" WOOD LATHE 2200W WITH TAIWAN**

**MODEL NO: MC2242VF /230V CE**

**Main features:**

- \* Electronic Inverter Variable Speed Lathe with TAIWAN DELTA brand Inverter
- \* Two belt ratios for high torque when turning large diameters
- \* Digital speed display on headstock
- \* Quick belt change construction headstock
- \* All cast iron construction for high stability and vibration free running
- \* Cast iron stand with provision for a shelf

- 01) Description: 22"X42"variable speed wood lathe
- 02) Motor(W): 2200W (input), 1500W(output)
- 03)No of speed: L:0-1200RPM, H:0-3200RPM
- 04)Swing over bed: 22"
- 05)Distance between centers: 42"
- 06)Drive spindle thread: M33X3.5 or others
- 07)Headstock and tailstock taper: MT2
- 08)Face plate: 6"
- 09)Tool rest: 14"
- 10)Packing size(mm): 1750x610x620mm
- 11)NW/GW: 225/300KGS
- 12) Units per 40HC container: 80pcs
