

Viscat Fulgor srl is an Italian company manufacturing machines for the construction and servicing of woodworking tools. We have been present in the market since 1957.

In our offer we have the following products:

- BUTT WELDING MACHINES FOR BAND SAW BLADES
- FLASH WELDING MACHINES FOR ANY TYPE OF METAL BAND
- MIG WELDING MACHINES FOR BIG BAND SAW BLADES
- GRINDING WHEEL SHARPENING MACHINES WITH SETTING MACHINES
- MANUAL AND AUTOMATIC SETTING MACHINES
- DEBURRING MACHINES
- BRAZING MACHINES FOR CIRCULAR SAW BLADES
- KNIVES GRINDING MACHINES

Today we are looking for an opportunity to enter new markets. We are looking for both – dealers and final users of our products. To get more information please contact us directly:
