Why Foshan?

Location superiority: located at the heart of the Pearl River Delta and the Greater Bay Area, with access to each of the major consumer cities in the region.

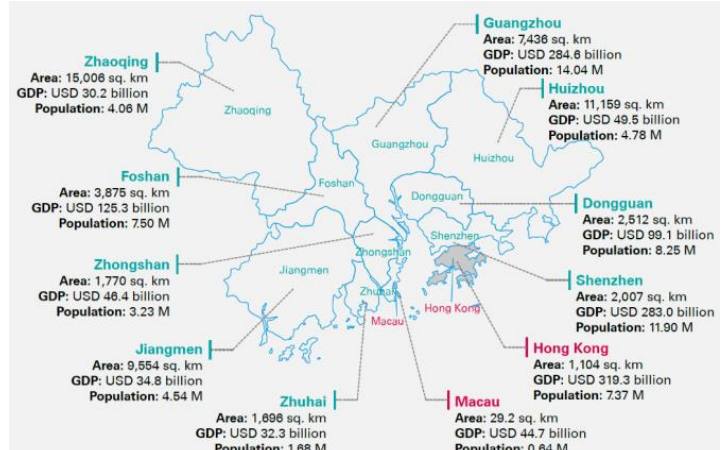

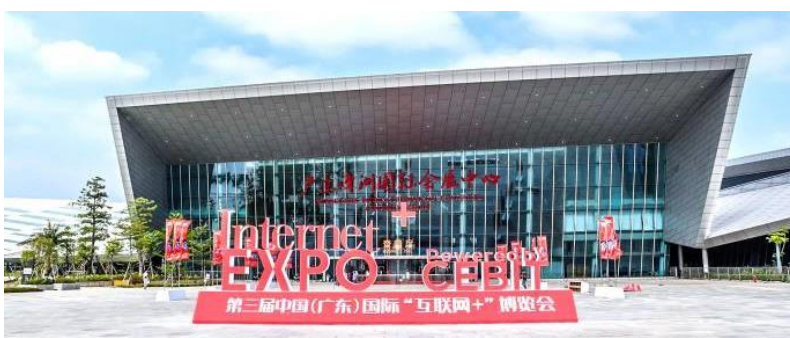

Consumption potentiality: The city itself has a permanent population of 7.6 million, but the city's two-hour economic circle encompasses 65 millions of China's consumers.

Industrial Advantages : Foshan is leading in the equipment manufacturing industry in China. With improved independent innovation capabilities, a complete industrial chain structured through the promotion of smart manufacturing, a modern industrial landscape will be developing in Foshan

Preferential Policy : Foshan city offers, government services, innovation, tax, finance, land and talent advantages policy to create the most suitable investment environment and support your business.

Steady Growth: already 11,665 foreign enterprises settled in Foshan. Among them are 115 Fortune 500 companies.

Greater Bay Area Cities Comparison
